

Reading Assignment for The Physics of Galaxy Clusters (Summer Term 2020)

Lecturer: Christoph Pfrommer

in preparation of lecture 13

Next online meeting July 21, 2020, 12:00

Please read and work through the script, covering the following topics:

4.1 Optical: Galaxy Interactions and Virial Theorem

In the last lecture, we will discuss galaxy interactions in clusters and the virial theorem. Ideally you can come up with many questions yourself. **If you have problems with a derivation or if something is unclear, please email me those points well before the lectures!**
